WELCOME TO SEVA EDUCATION

Welcome to Seva Education, a place where every child's unique abilities and potential are celebrated and nurtured. At Seva Education, we believe that education should be inclusive and empowering, catering to the diverse needs of each student. Our institution is not just a school; it's a community that fosters a warm and supportive environment for children with special needs to thrive. We understand that every child is exceptional in their own way, and that's why we take a personalized approach to education. Our team of dedicated and compassionate educators, therapists, and staff works tirelessly to create tailored learning experiences that cater to each student's strengths and challenges. Our curriculum is designed to be flexible and adaptable, ensuring that every child receives the necessary support and encouragement they need to flourish academically, emotionally, and socially.

SEVA FOOTBALL CLUB

This is where the spirit of teamwork and passion for football unite to form our extraordinary football club. At our school, we believe in the power of sports to foster camaraderie and build confidence, and our football club embodies these values to the core. With an inclusive approach, our players, regardless of their abilities, come together to train, compete amongst each other, and celebrate the joy of the beautiful game. Led by dedicated coaches and supported by enthusiastic staff, our football club provides a nurturing environment that encourages each player to reach their full potential, both on and off the field. We take pride in the smiles, camaraderie, and unforgettable moments that our football club brings, as it exemplifies the true meaning of sportsmanship and the boundless possibilities that arise when we work together as one team.

GIRLS Club

What is girls club?

Welcome to Girl's Club, a vibrant space exclusively designed for young female students to engage in thought-provoking discussions about matters that profoundly impact their lives. Within these hallowed walls, passionate minds converge to explore a diverse range of topics, including educational opportunities, self-confidence, and personal growth. Aspiring to foster a supportive sisterhood, the club encourages open dialogue and the sharing of experiences, empowering each member to find her voice and become an advocate for positive change.

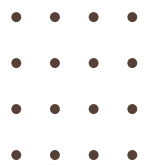

Together, these young girls forge an unbreakable bond, navigating the challenges of adolescence while creating a brighter, more equitable future for themselves and the world they

SCHOOL TRIPS

SCIENCE MUSEUM

In a heartwarming display of inclusivity and educational enrichment, Seva Education embarked on an extraordinary school trip to the Science Museum. This exceptional adventure showcased the power of providing all children with meaningful learning experiences, irrespective of their abilities.

Through thoughtful planning and unwavering support, the students and educators of Seva Education had the chance to explore the wonders of science in an inclusive and nurturing environment.

As the day concluded, the students returned to Seva Education with their hearts full of joy and newfound knowledge. The school trip to the science museum became a testament to the boundless potential of inclusive education. It showcased how by embracing diversity and providing tailored support, every child can thrive and learn in their unique way.

The journey to the science museum left an indelible mark on these young minds. It ignited a passion for science, fostered a love for exploration, and nurtured a sense of belonging. The experience reminded us all that when we come together, embrace differences, and celebrate individuality, the world becomes a richer and more beautiful place for everyone.

As the students arrived at the science museum, the atmosphere was charged with excitement and anticipation. Wide-eyed smiles and enthusiastic chatter filled the air, as these young learners prepared to delve into a world of scientific marvels. Upon entering the museum, the group was warmly welcomed by the knowledgeable and compassionate museum staff. The educators from Seva Education shared essential information about their students, fostering an environment of understanding and empathy among the museum personnel. Armed with this insight, the staff was well-equipped to provide the necessary accommodations and support for the students' diverse needs.

CULTURE DAY 2023

Seva education was adorned with an array of vibrant colors and cultural diversity as students and staff donned traditional outfits representing their countries of origin. The atmosphere buzzed with excitement and enthusiasm as we all came together to celebrate the uniqueness of our school community.

Food has the power to connect people and bridge cultural gaps. And our Culture Day Celebration was no exception! We invited parents and guardians to prepare and bring a dish from their country of origin, creating a delectable Global Cuisine Extravaganza. The school staff also joined in the culinary adventure by sharing dishes from different corners of the world.
